**Dog Boarding:** We are excited offer now offer boarding! Facilities include 4 kennels built into our stable with rubber-matted floors, sawdust, fresh water and a clean kennel daily! Stalls attach (via dog door) to a 12ft. outside run so your dog can be inside or outside. Dogs receive 3 hours of "yard-time" in our 6ft high fence, as well as a 20 minute hike daily. **The cost is \$45/day and Stride Away puppies receive a 10% lifetime discount.** Space is limited so be sure to call ahead to make a reservation!

## About Us

Our German Shepherd Puppies are bred for temperament, intelligence, agility and protection. They are born and raised on a working farm and socialized from a young age. They are accustomed to loud noises, human interaction and other dogs. Puppies come from a unique line of family dogs, working dogs and show dogs. Each puppy is part of our family until they depart. We expect that they are cared for with excellence for the remainder of their lifespan and a good home is of utmost importance. Our dam, "Captivate by Cleo," is a member of the family and serves as a protection dog at our home. You can find Cleo lounging with our horses, cats or playing with kids. The sire, Alvin, is an import from the Czech Republic, registered with the FCI and certified with the RSV2000 for hips and elbow. He is Schutzhund 1 titled and excels in protection, obedience and nose work. The combination of Cleo and Alvin result in puppies with superb temperaments and sound minds! Previous puppies have gone to police departments, fire departments, and as service dogs around the country.

The German Shepherd dog is extremely smart. They are excellent protection, work and family dogs. They are happiest when exercised and given a job daily. Like all dogs, German Shepherds crave physical and mental stimulation. We ask that you make ample time to care for your German Shepherd puppy and begin training/socializing at a young age. A good home is our utmost priority! Thank you for choosing a German Shepherd from our "Captivated by Cleo x Alvin Linhart" line for your next family and protection dog! We hope you will enjoy them as much as we do.

Please Note:

\*Both sire and dam are OFA hip certified to reduce the risk of hip dysplasia and negative for DM.  
\*German Shepherd Puppy ears will go up anywhere from 6 weeks to 6 months. While your puppies' ears should go up, there is always a chance they may not. This is not in our control. Please allow time for your puppies' ears to go up naturally or contact your local vet.

Please sign to confirm that you have read the information in this application and that the information you have provided is truthful.
